

# 2018 PWUD Cycle of the 1% Initiative Project Workgroup Activity

Please provide as much information as possible on businesses, stakeholders, organizations, and agencies.

- What are you currently doing to identify the Persons Who Use Drugs (PWUD) population?
- Which recruitment strategies are you planning to utilize? Which strategies do you believe will be most productive? What limitations do you foresee?
  - Street/Venue Based
  - Internal/External Referrals
  - Other strategy
- Do you have experience in conducting HIV testing at drug courts or jails? In your opinion, can these places provide high positivity rates for your program?
